

April 2, 2024

Dear Residents,

As many of you are likely aware, it is difficult to get tree trimming companies interested to come out for a single tree, much less palm trees. Fortunately, we have been able to negotiate a group discount for palm trees at \$45/tree (this is ONLY for palm trees).

Palm trees need trimming when it has a significant amount of brown, dead fronds. Removing these dead fronds keeps a potential fire hazard out of your yard, prevents potential wind damage, and helps keeps your yard clean and tree looking great.

***If you have yet to have your palm tree addressed this year, we strongly encourage you to take advantage of this great opportunity!***

**If you would like to participate, please follow these instructions:**

1. Send an email to Amy Dean ([hiltonhead@sentrymgt.com](mailto:hiltonhead@sentrymgt.com)) or call the Sentry office @ 843-605-4244. Ext. 52702 to express your interest, provide your address and number of palm trees you would like trimmed.
2. Drop off or mail a check payable to: "Traditions at Old Carolina HOA" for \$45 x number of palm trees you would like trimmed (e.g. 2 palm trees would be \$90).

Address: Sentry Management, 132 Bluffton Rd, Ste 200, Bluffton, SC 29910

**We ask that you **respond no later than Friday, April 19, 2024**. NOTE: If you have not paid by the deadline, you will not be included on the scheduled date of maintenance.**

Once the date of maintenance is scheduled, we will notify everyone. ***If it is not clearly obvious which palm tree needs trimming, or you will not be home on the day of maintenance, we ask that you mark the palm tree with tape or some other obvious identifier.*** We will have a schedule for the company with your address and number of palm trees per house and Sentry will handle payment directly, you do not even need to be home! 😊

Hopefully, this will become an annual program!

Regards,

Sentry Management and the Board of Directors
